

## Dog Hit by Automobile

Information displayed is provided by our customers. MicrocynAH<sup>®</sup> is a great addition to any wound care regimen. Always consult with a veterinarian for systemic conditions.

<b>Owner Name:</b>	Jeannie Dieks
<b>Patient Type &amp; Name:</b>	Brownie. Five-year-old mixed breed.
<b>Wound/Ailment:</b>	In August 2017, Brownie was injured by an automobile. She was left with multiple wounds and lacerations, most apparent in her lower left leg.
<b>MicrocynAH<sup>®</sup> Product:</b>	MicrocynAH <sup>®</sup> Wound & Skin Care - Liquid
<b>Application:</b> (initial usage, current usage, protocol)	Her wounds were cleaned and treated 3 to 4 times a day using MicrocynAH <sup>®</sup> along with a regimen of oral antibiotics.
<b>Healing Period:</b>	In less than a month, her wounds have healed appreciably along with regrowth of hair at the wound site.

### IMMEDIATE ACTING, ONE-STEP WOUND & SKIN CARE

MicrocynAH<sup>®</sup> Wound and Skin Care products are innovative topical solutions for the care of wounds and irritations. MicrocynAH<sup>®</sup> is non-toxic, steroid-free and antibiotic-free and will not sting when applied. There is no rinsing or staining after use. MicrocynAH<sup>®</sup> is intended for OTC management of skin abrasions, lacerations, minor irritations, cuts and intact skin. Aids in the healing process by debriding and cleaning wounds, cuts and lacerations.
